**Why do our Board Members volunteer for Shalom?**

“I volunteer with Shalom House because I believe in the Golden Rule. I'm surrounded by good people who all pitch in to make our community better, and that's how problems get solved. A meal has healing powers that unless you've been hungry, most will not understand.” **Jordan Walter, Vice President of Shalom House**

**A Note from Shalom Board President, Mary Dixon:** As I begin my final year as board president of this wonderful organization, I would like to thank my fellow board members and the Shalom House staff for their support and guidance. This past year, we again saw an increase in the number of Kids Sack Lunch participants and the number of hot meals served, all while being faced with increasing food costs. Through the hard work of our staff and board, the dedication of our volunteers and the unwavering support of our donors, we were able to meet the growing needs of the community. As we move forward, we remain committed to addressing food insecurity in Boone County. Thank you for partnering with us as we continue our ministry.

### **Shalom Board 2025**

### **Why do our Board Members volunteer for Shalom?**

I first served at Shalom many years ago with the Boone County IU Alumni Club. The host was Ingrid Temple and I was most impressed with her kindness and ability to communicate with all kinds and ages of people. Her special treatment of a little boy who came in touched my heart. That experience convinced me to get more involved with Shalom and to get my church involved. I was President of the congregation and told the minister we needed to talk and let's have lunch. I didn't tell him we were going to Shalom to serve that lunch. He loved it, as I knew he would and our church has been involved since then (and several ministers later). Mary Grabianowski, Shalom Board Member

## Shalom Fun Facts:

- Over 93,000 individual food items went into the 31,260 lunches that were distributed last year. Over 31,260 breakfasts were served. More than 250 volunteers served over 1,500 hours.

*Freedom Church*

### **Why do our Board Members volunteer for Shalom?**

I love serving on the Shalom Board. I chose to accept the position when asked to serve because of the role the Shalom Kids Sack Lunch has in filling in the gaps of combating hunger for school aged kids when school is not in session. **Pam Burpo, Shalom Board Member**

## **2025 Needs for the Shalom House Programs**

- \$350 will fund one Tuesday or Saturday meal.
- Teams of 6-8 volunteers needed per day to serve Shalom hot meals.
